Education

University of Missouri — **Columbia, MO**
Ph.D. in Management — 2027

University of Hertfordshire — **Hertfordshire, UK**
M.Sc. in International Business — 2022

Capilano University — **Vancouver, CA**
B.B.A. in International Business — 2020

Research Interests

My research examines how firms adapt their human resource systems and human capital decisions during periods of organizational and environmental change.

Across projects in strategic HRM, talent management, and talent acquisition, I study how these adaptations shape firm and employee outcomes, including effort, sorting, and productivity.
